ATTITUDE

The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company ... a church ... a home ... a team. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past ... we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I am convinced that life is ten percent what happens to me and ninety percent how I react to it.

CHURCH TODAY 10/15/12

Cross-country needs Highland Park

I have been a part of Louisiana high school cross-country for over 25 years. One of the highlights of our season is trips to Highland Road Park in Baton Rouge for the big races. This is "sacred ground" to me and to our veteran runners. We all have too-numerous-to-count "war stories" of our races there.

It would be a sad — very sad — thing if Highland Road Park was made not available for cross-country running.

It seems to me the economic impact alone would dictate that this would never be allowed to happen. Our team usually makes three trips per season to Highland Road Park. We leave at 4:30 a.m. (and worry about parking space by the way), run our races and return home. Before we leave town, we eat probably 75 lunches, and many people stick around to shop — many a prom dress has been bought by our runners in Baton Rouge.

That's a lot of energy I'm not sure we'd spend to run somewhere other than Highland Road Park. It's the only place we've ever run in Baton Rouge.

The four major cross-country meets at Highland Road Park attract well over 100 out-of-town schools to Baton Rouge every season. Conservatively assume 20 runners and 10 parents (we bring over 30 runners and at least 40 parents) show up for each. That's thousands of meals, much shopping and more than a few hotel stays.

I have heard there are plans to "improve" Highland Road Park. I — and I'm sure many, many others — would hope that the coming changes take into account providing for cross-country to continue its very rich tradition there.

Sacred Heart races to Class 2A girls title

BY ROBIN FAMBROUGH
Advocate sportswriter

NEW ORLEANS AREA

MATCHITOCHES – Academy of Sacred Heart won five consecutive state cross country titles before moving into Class 2A a year ago.

Coach Greg Caro knew his team needed a specific kind of focus to succeed at the Louisiana High School Athletic Association Cross Country Championships on Monday.

"The last six weeks, we were focusing on the teams we needed to focus on," Sacred Heart coach Greg Caro said. "That was Episcopal, Newman, Menard and St. Thomas Aquinas.

"Episcopal ran a wonderful race today. But our girls pack ran super duper today. We have one junior, three freshmen and two sixth-graders. This was great."

Sacred Heart placed all five of its scoring runners in the top 17 while winning the Class 2A girls title at the Walter Ledet Track Complex.

The Cardinals led a New Orleans group that claimed three individual titles and three team runner-up finishes.

John Curtis Christian (2A boys), St. Martin's Episcopal (1A boys) and Patrick Taylor (Class B boys) were the New Orleans area's runner-up finishers on the first day of the annual two-day LHSAA meet. Country Day was third in the 1A girls competition.

First Baptist Christian's Gabrielle Jennings (Class C), Patrick Taylor's Celia Zaeringer (Class B) and Newman's Haley Johnson (2A) were individual champions with New Orleans area ties.

Caro said he told his girls to pass runners from the other top teams while also trying to run as close together as possible.

Newman's Johnson won the three-mile race in 18 minutes, 25.81 seconds — the day's best girls time.

Megan Jackson, who placed ninth (19:44.36), was the top finisher for Sacred Heart, which also put Madeline Kling (13th), Sarah Dawson (14th), Mary Nusloch (15th) and Caroline Bloemer (17th) in its scoring group.

The Cardinals finished with 68 points to finish ahead of Baton Rouge-based Episcopal (83) and 2011 champion Menard-Alexandria (87). Hammond's St. Thomas Aquinas (119) placed fourth.

The 2A race came near the end of the day. Jennings, of Slidell-based First Baptist, vowed to finish the day's first race, despite issues with shin splints. The freshman claimed her fifth individual title in cross country with a time of 19:29.59.

"It's been a hard season," Jennings said. "I've had trouble with my hip and shin splints. It hurt pretty bad today, but I'm not a quitter. I had to be careful because there were some curves on the course, and it hurt when I went to make the cut. I was determined to finish."

Patrick Taylor's Zaeringer won the Class B girls title for the second time in three years in 18:55.23.

"It was my best time of the season," Zaeringer said. "I was quite surprised at how fast I ran. My previous best was 19:13. It (state title) means a lot."

Two north Louisiana schools, Elizabeth in Class C and Anacoco in Class B, swept boys and girls titles.

Elizabeth scored 34 points to win the girls title and 47 to claim the boys title. Anacoco finished with 51 points to win the girls title and 66 on the boys side.

Patrick Taylor, a third-place finisher the past two seasons, claimed the runner-up trophy in the Class B boys competition with 68 points. Evan Michael (16:46.82) placed second, and Stephen Torry (16:56.52) was third for the Tigers.

St. Martin's finished with 78 points to edge Catholic-Pointe Coupee (82) for second in the 1A boys division. Donaldsonville's Ascension Catholic won with 29. Metairie Park Country Day's Adam Goldberg placed third (16:39.11). St. Martin's Ian Jenkins (eighth, 17:19.42) led runner-up St. Martin's.

In the day's final race, John Curtis was second to BR's Episcopal, which claimed its 17th straight Class 2A boys title. Episcopal (35), Curtis (71) and St. Thomas Aquinas (81) were the top three finishers.

Devyn Keith led the Patriots, placing third (15:57.20) and was one of three runners to break the 16-minute barrier in the day's fastest race.

Catholic-PC won the 1A girls title with 33 points, ahead of Ascension Catholic (67) and Country Day (77). Kathryn Fagan, who placed 11th (20:50.35) led MPCD.

The other New Orleans area competitor to garner a top 10 finisher was Jennings' sister, Madelyn, who was second in the Class C girls race (21:36.41).

State of Mind

If you think you are beaten, you are;
if you think you dare not, you don't.
If you like to win, but think you can't,
it's almost a cinch you won't.

If you think you'll lose, you're lost;
for out in the world we find
success begins with a fellow's will;
it's all in the state of mind.

If you think you're outclassed, you are;
you've got to think high to rise,
you've got to be sure of yourself
before you can win the prize.

Life's battles don't always go
to the stronger or faster man;
but sooner or later the man who wins
is the man who thinks he can.

A Runner's Psalm 23

The Lord is my running partner – I shall go with Him.

He runs the course of life with me, whether I like it or not.
During the times I think I can run alone, He keeps up with my every step.
He never lets me out of His sight.

His quest is always one which benefits me – to help me get over the obstacle that hinders me from holiness.

Even though I will encounter all the hills and mountains which are life's problems, He will encourage me to keep up with His pace, no matter how hard it may be or how tired I may feel.

Though I have just begun and the road ahead is unrelenting, with Him at my side I shall fear no obstacle.

And in this marathon of life, I will surely find salvation if I keep the pace of my Companion.

Cross Country 2012!

FROM THE COACH

Every CC year in some ways is the same, but of course, every year has many new twists and challenges. On the guys side, we are starting all over. Will we develop a legitimate varsity group at some point during the season? Can we improve on last year's team times? Which of the guys will step it up and run decent 3 mile times before it's all over? I think we have loads of potential! Stay tuned!!

On the girls side, we have a completely different set of challenges. Can the girls improve enough to hold off all those 2A teams that will be after us? Can we repeat as state champs in this probably last year in 2A? Again - stay tuned!

This week we have the 2 mile time trial on Wednesday (that's a change), and our first Swim & Eat at the Morrison's on Thursday (see below). As we will always do, we practice every day – don't miss!

KICK OFF THE SEASON POT LUCK SUPPER THURSDAY August 30, MENARD CAFETERIA 6 PM

Put it on your calendar! Wednesday, August 30, 6 PM in the cafeteria. This is mandatory for all runners and families, especially our new runners and their families. This is where you can meet the other runners and parents, learn something about this sport called cross country, and have a great meal. We will have lots of information to pass out that night, so try hard not to miss this important get together. *It is pot luck, so bring your favorite dish.*

SHOES, LOGS AND WATCHES!

All runners are required to keep their running log book up to date DAILY and to turn it in every Monday. Once the races start, runners are required to complete a race review for each race. The race review forms are in the back of the log book. Parents – check out your runners' logbook from time to time!

All runners are required to wear a digital watch at every practice. You can get fancy and spend a lot of money, or you can spend around $6.00 – both keep the same time!

The only big expense a runner has are running shoes (and possibly racing flats and spikes). Runners have a wide variety of foot issues (arches, pronation, supernation, etc) that require the correct shoe to avoid possible injuries. The wrong shoes can have disastrous results. Coach's recommendation: go to Run Wild on Jackson Street (in front of Mac's) where they will put you in the proper shoe.

AFTER SCHOOL PRACTICE

Practice starts at 3:20 behind the school. For scheduling, count on practice lasting until 5 PM, but sometimes we're done a little earlier. We practice Monday thru Friday (and Saturday for some) no matter what the weather. Groups 1, 2, and 3 will run at Coach's at 7 AM Saturdays until the meets start.

PRACTICE DRESS CODE

The practice uniform is required attire at every on campus practice.

SWIM & EAT's

We have at three S & W's this year – check the schedule. The first is at the Morrison's, Thursday, August 23. We will practice after school as we normally do. Then we'll take the bus to the Morrison's, and – you guessed it - swim and eat! Parents can pick runners up there (6014 Bayou Robert Drive) no later than 5:45 PM or meet us back at school at 6 PM. Our host parents do a lot of work getting ready for these events, so attendance is MANDATORY for all runners.

TRAINING GROUPS

Not everyone is on the same page when it comes to CC training runs. We have 5 year veterans and brand new rookies, and lots in between. To deal with this we have 5 different training groups (levels). Group 1 might do 6 or even 8 miles on long run day, and Group 5 will do less than 2. Runners, as they progress, are encouraged to move up to higher groups. By the end of the season we'll probably only have 2 or 3 groups! Here's the groups as of today:

GROUP 1 Mallory Robichaux, Grayson Burns, Doug Juneau, Quint McMickens

GROUP 2 Mallory Barlow, Rachel Engelsman, Madeline Jones, Meg Morrison, Kelley Robichaux, Lindsay Vaughan, Cole Robichaux, Taylor Rogers, Bradley Schneider

GROUP 3 Miranda Hawthorne, Ava Karam, Avery Long, Carson Rabalais, Maddie Saucier, Thomas Davis

GROUP 4 Cameron Erickson, Britney Jeansonne, Rachel McMinn, Anne Standley, Martha Voltz

GROUP 5 Stephanie Aucoin, Alexis Cannela, Shalies Crosby, Brittany Ducote, Catherine Evans, Deanna Hirchak, Rebecca Jeanfreau, Chelsie Perry, Eternity Richardson, Kenzie Seastrunk, Trey Brown, Payton Fowler, Jacob Seeling

MANAGERS Victoria Hirchak, Brooke Jones, Kaelyn Rachall

CROSS COUNTRY TEAM AND FAMILY T-SHIRTS WILL BE ORDERED SOON!

Voting for this year's slogan is now open! Vote by emailing Coach. All runners and runner parents are eligible to vote! One of our traditions is to provide a t-shirt (free) to every runner. Each year the shirt slogan is unique. It's also a tradition that our parents wear these shirts to the meets we travel to. Sorry, but all non-runners must purchase their shirts. Order forms have been passed out. DEADLINE FOR ORDERS IS THIS WEEK!!! (If the form just didn't make it home, email Coach your family sizes and send the money ($10 per shirt) with your runner.

WATER!!!!!!!

It's really too hot most days to run – at least the people in Alaska would say so. Not drinking enough water – and that would be 8 glasses a day minimum – is nothing less than dangerous. So runners MUST TAKE CARE TO DRINK AT HOME AND AT SCHOOL (before school, during breaks, during lunch, and at practice). Besides being dangerous to your health, it slows you down!

LHSAA FORMS

Three forms (Participation, Drug, and Medical) MUST be on file at Menard for any athlete to be eligible to participate in sports. Coach needs stuff from: Cannela, Crosby, Evans, Hirchak, Jeansonne, Karam, McMinn, Perry, Richardson, Saucier, Seastrunk, Standley, Voltz, Brown, Davis, Fowler, Schneider, Seeling. ***THESE MUST BE IN THIS WEEK!***

RUNNING IN THE MEETS

We want all CC runners to participate, but the reality of race day with its 4 to 6 races means a runner must be able to complete the 2 or 3 mile race in a reasonable amount of time or the next race will be held up. Here's the criteria for us:

Girls 2 mile sub 21 minutes Boys 2 mile sub 18 minutes

Look at these times as goals – goals to be reached ASAP! Any runner, any day, can request a time trial at practice to see if they have improved to the point they can join the races.

Runners who aren't ready for the races should still come! We need lots of help with water, split times, etc – and the races are always exciting! And Cross Country is a TEAM SPORT!!

THE 2012 CROSS COUNTRY SCHEDULE – SO FAR!

Almost all the dates are finalized. The current schedule will be published in this newsletter each week. Dates with asterisks are confirmed. The schedule for each race day will be posted here the week before the race. The weekday races will be after school. The Saturday races will see us leave Menard early and be back in the early afternoon.

UNIFORMS

Uniforms mean two things in CC. We have our practice uniforms that you buy and keep forever. We also have race uniforms that we wear at competitions. Menard CC has race shorts and singlets and warm-ups that we will distribute before the first race day. Runners will keep these thru the season and turn back in when it's all over.

ST MICHAEL THE ARCHANGEL (Saturday, September 8)

This is our first meet of the season. The meet is at Highland Park in Baton Rouge, where we've raced many, many times. Maps will be available that Saturday morning. If you're planning on driving, line up as if you were dropping off students before school. A schedule for the day will be in the newsletter. Fair warning – it will be very early!!!!!

TIME TRIALS!

The one mile time trial was last Thursday, August 16, and the two miler will be Wednesday, August 22. It's always a great opportunity to see where we're at and where we have to get to. Here's last Thursday's results and also previous year's results for current runners.

MILES, MILES, MILES!

How do you get good at this CC thing? Well – you run a lot. We get a little sophisticated about what we do, but the bottom line – especially for new runners – is simple: RUN! And run a lot (it's a simple sport). Here's a summary of log book miles thru August 12th. This includes summer miles.

HELP!

There's LOTS of ways to get involved with our program -- and Coach needs all the help he can get. First off is the Pot Luck Supper – this is right now, and we need a coordinator. We need a Meet Prep Crew - we have a tent, tarp, flag, banner, and water coolers that need to be transported to the meets every week – someone with a truck who is planning on attending the meets? We have a major fund raiser (box lunches) that we do every year – we need a coordinator! We put on two meets each year that require all the assistance you can give. Picture-taking is a big need. Then there's the banquet. Contact Coach if you have the time and can coordinate some of this stuff. More info on these and more at the Pot Luck.

Holy Savior Menard Cross Country 2012!

FROM THE COACH

This week we add the Monday Buhlow workouts (everyone's favorite!). We have our second Swim & Eat on Tuesday, and the Kick-Off-The-Season-Pot-Luck-Supper on Thursday. As we will always do, we practice every day, rain or shine – don't miss!

A little clarification about missing practice. During the week, if you are at school, come to practice even if you are injured – you are part of this team. If you have an after school conflict, let Coach know before the end of the school day. The same applies to Saturday workouts. You are obligated to be there even if you are injured and cannot run – again, you are part of this team. Once the meets start, all runners should attend – running or not. You all are part of this team!

KICK OFF THE SEASON POT LUCK SUPPER THURSDAY. August 30. MENARD CAFETERIA, 6 PM

Put it on your calendar! Thursday, August 30, 6 PM in the cafeteria. This is mandatory for all runners and families, especially our new runners and their families. SHOES, LOGS AND WATCHES!

All runners are required to keep their running log book up to date DAILY and to turn it in every Monday. Once the races start, runners are required to complete a race review (see back of log book) for each race. Parents – check out your runners' logbook from time to time!

All runners are required to wear AND USE a digital watch at every practice. You can get fancy and spend a lot of money, or you can spend around $6.00 – both keep the same time!

The only big expense a runner has are running shoes (and possibly racing flats and spikes). Runners have a wide variety of foot issues (arches, pronation, supernation, etc) that require the correct shoe to avoid possible injuries. The wrong shoes can have disastrous results. Coach's recommendation: go to Run Wild on Jackson Street (in front of Mac's) where they will put you in the proper shoe.

RUNNING IN THE MEETS

We want all CC runners to participate, but the reality of race day with its 4 to 6 races means a runner must be able to complete the 2 or 3 mile race in a reasonable amount of time or the next race will be held up. Here's the criteria for us:

Girls 2 mile sub 21 minutes Boys 2 mile sub 18 minutes

Look at these times as goals – goals to be reached ASAP! Any runner, any day, can request a time trial at practice to see if they have improved to the point they can join the races.

Runners who aren't ready for the races should still attend! We need lots of help with water, split times, etc – and the races are always exciting! And Cross Country is a TEAM SPORT!!

HELP!

There's LOTS of ways to get involved with our program – and Coach needs all the help he can get. First off is the Pot Luck Supper – this is right now, and we need a coordinator. We need a Meet Prep Crew – we have a tent, tarp, flag, banner, and water coolers that need to be transported to the meets every week – someone with a truck who is planning on attending the meets? We have a major fund raiser (box lunches) that we do every year – we need a coordinator! We put on two meets each year that require all the assistance you can give. Picture-taking is a big need. Then there's the banquet. Contact Coach if you have the time and can coordinate some of this stuff. More info on these and more at the Pot Luck.

Holy Savior Menard
Cross Country 2012!

FROM THE COACH

Team? – or is it TEAM!!?? Team – when it exists in the full sense of the word – is a very beautiful thing. It's being a part of something big, something important. It's wanting to be there for your teammates no matter what, because you know your teammates will be there for you no matter what. It's knowing that somehow – no matter you're the #1 athlete or the very last athlete, the oldest veteran or the brand new rookie -- you're an important part of the whole, of the family.

It's when you have this huge desire to be there for each other when there's a need, and a huge desire just to be there period! When you look back at your Menard time, it's stuff like TEAM you'll remember most. Because it's more important in life than winning or losing a competition.

This world we live in – especially the very environments we personally live in – need a better TEAM mentality. Right now we're part of this cool thing called Cross Country – and that's a TEAM thing. But we're also part of other teams – family, school, church, and the bigger community of central Louisiana.

TEAM is not a noun. TEAM is a verb. It's a dynamic thing that lives and dies by action or lack of action, by involvement or indifference. And it's not team action or team lack of action, it's personal action or inaction. You can make a difference! It's not about getting, it's about giving.

You are in training -- life training. In the big picture of life this CC thing is a little thing. But CC is an opportunity to personally grow, to become a real teammate, to experience the beauty of being a part of something. Down the road you will be a part of church families, companies, and your very own family. Being a team player in all these areas MAKES A DIFFERENCE!

And don't make the mistake of waiting for someone else to "be team." You be team now! One of JFK's more famous quotes was, "Ask not what your country can do for you, but what you can do for your country." Jesus said it this way: "Love your neighbor as yourself." Again – TEAM is a verb, not a noun.

Think about it. Is TEAM a verb for you, or is it a noun? Not just in CC but in all your environments. You can make a difference!

ONE Team – ONE Goal – In Christ!

From the last newsletter: *A little clarification about missing practice:* During the week, if you are at school, come to practice even if you are injured – you are part of this team. If you have an after school conflict, let Coach know before the end of the school day. The same applies to Saturday workouts. You are obligated to be there even if you are injured and cannot run -- again, you are part of this team. Once the meets start, all runners should attend – running or not. ST MICHAEL THE ARCHANGEL (Saturday, September 8) MEET DETAILS

This is our first meet of the season. The meet is at Highland Park in Baton Rouge, where we've raced many times. Maps will be available Saturday morning. If you're planning on driving, line up as if you were dropping off students before school.

4:30 AM	Meet at Menard – BE ON TIME
8:45 AM	JH Boys & Girls (2 miles)
9:15 AM	Girls Varsity (3 miles)
10:00 AM	Boys Varsity (3 miles)
10:30 AM	JV Boys & Girls (2 miles)
11:15 AM	Awards
	Back at Menard around 3:00 PM

Please be on time at Menard. Parking is a real problem at Highland Park, and registration takes a while and the first race runners need time to warm up.

We will take I-49 south to US 190; US 190 to LA 415 (we will stop at the McDonald's right before crossing the Mississippi River for bathrooms); I-10 to Siegan Lane; Siegan Lane to Highland Road; Highland Road to Highland Park. Parking is available in the parking lot to the right of Highland Road and in the upper parking lot to the left. There is usually no room in the upper parking lot by the time we get there. We have been warned that cars parking on the streets will be towed!

We will have our tent and flag set up near the scoring tent. **All runners are expected to stay for the awards ceremony.**

What to bring? It may rain – it may be muddy. Change of clothes, towel, clean shoes, lunch $, wear your race stuff. We will have water like we do at practice. There will be no chairs available – parents might want to bring chairs.

Race Line ups:	Race 1 (8:45 AM) JH Boys/Girls	Ducote, Hawthorne, Ava Karam, Long, Standley, Voltz Brown, Burns, Juneau, McMickens, Rogers
	Race 2 (9:15 AM) Varsity Girls	Jones, K Robichaux, M Robichaux
	Race 3 (10:00 AM) Varsity Boys	Not in this one!
	Race 4 (10:30 AM) JV Boys/Girls	Erickson, Jeanfreau, Saccaro, C Robichaux, Schneider

Races 1 and 4 are 2 miles. Race 2 and 3 are 3 miles.

Some runners do not have 2 mile times fast enough for racing – yet! Tuesday will be the last day to take care of that business if you choose to.

In the past years, a family has stepped forward to transport the tent, banner, flag, and water coolers to the meets. That family has graduated, and Coach needs a new volunteer – no experience needed! Any volunteers????

Holy Savior Menard Cross Country 2012!

September 8, 2012 #4

ST MICHAEL THE ARCHANGEL (Saturday, September 8) MEET RESULTS

HOT!!! The expected cool weather didn't happen – until we left! The times – Menard's and everyone else's – paid the price. We ran LOTS of rookies (14), and there were lots of great first race times, especially considering the weather. The brand new all-rookie boys team had a great day, finishing 10th of 16 in the JH race. The JH girls got even better results, finishing 5th of 14 teams. Individually, hats off to Mallory with her second place (t-shirt and medal) finish in the girls varsity race, and Bradley's 12th place t-shirt finish in the JV race.

LOG BOOK RACE REVIEWS
All runners keep a log of their miles in their Menard CC log book. All racers complete a race review (found in the very back of the log book) for every race. This is a chance to do a little reflection on your race, and set some goals for the next race. Coach will read and comment on each of them. Girls Debut 2012 in 3rd at Big Episcopal Meet!

Weather lets up a little, and we get 16!! PR's! The girls lose only to 5A powerhouses Dominican and St Joseph, easily beating the rest of the field. The JHer's continue to over achieve with the boys 11 of 22 teams and the girls 11 of 18. Congrats to Bradley and Drew for their big top tens in the JV race (and to Thomas for surviving the JV race!).

Note the lineup for the Sacred Heart races. This is a small race and an easy course, so the guys are going to get their 3-mile initiation this time around!

CENLA CHAMPS WORKER MEETING

NEXT MONDAY, September 24 – 4:30 PM (after practice)

Menard runs this meet, so we have to do all the registering, scoring, etc, etc. There is some preliminary work to be done before Wednesday – packets, race #'s, assignments, etc. If you can make it, try to be there – we need lots of help!

CENLA CHAMPS (Wednesday, September 26th)

This race is called "CENLA CHAMPS" because all central Louisiana schools are invited to come run. We usually have around 20 schools here. Menard is the host and arranges for trophies, the clock, runs the meet, and tabulates the results. ***If you're able to be there Tuesday or Wednesday, September 25 and 26, Coach needs LOTS of help. We set up the course starting around 8AM on Tuesday. Race registration starts at 2 PM on Wednesday.*** We need help with course monitors, registration and scoring — no experience necessary! Just email Coach Smith – or just show up around 2 PM or as soon as you can!

MENARD EAGLE RUNNING CLUB (MERC)

The Menard Eagle Running Club is a Menard Cross Country "honorary" group with very high entry requirements. Membership is limited to runners accomplishing one or more of the following: running 400 miles (7th & 8th grades), 500 miles (9th & 10th grades), 600 miles (11th & 12th grades), or a top ten finish at designated meets. This year's MERC meets are Episcopal, Catholic, Menard, and State. The mileage must be logged between the end of the previous year track season and the district CC meet (November 3rd). Members receive a special t-shirt at the end of the year for this achievement, and their name is added to the MERC plaque in the gym foyer. Each year a runner qualifies, a different color shirt is awarded according to this schedule: 1st year – gray, 2nd year – red, third year – yellow, fourth year – green, fifth year – blue, and sixth year – black. Only two black shirts and six blue have ever been awarded. Only a very few have earned more than one shirt. Here's a list of the 36 runners who have earned three or more shirts since this group was formed in 1988:

Black (Andrew Lemoine, Christian Taylor)

Blue 4 (Lauren Patty, Dason O'Kelly, Joffrot Holcombe, Steven Jeansonne)

CENLA CHAMPS (Wednesday, September 26th)

This race is called "CENLA CHAMPS" because all central Louisiana schools are invited to come run. We usually have around 20 schools here. Menard is the host and arranges for trophies, the clock, runs the meet, and tabulates the results. ***If you're able to be there Tuesday or Wednesday, September 25 and 26, Coach needs LOTS of help. We set up the course starting around 9:30 AM on Tuesday (Coach has dentist appointment at 8). Race registration starts at 2 PM on Wednesday.*** We need help with course monitors, registration, scoring, etc, etc – no experience necessary! Just email Coach Smith – or just show up around 2 PM or as soon as you can!

The guys had their debut Saturday at Sacred Heart – now it's some of the girls turn! Check out the line ups.

	Race 4 Varsity Boys	Burns, Juneau, McMickens, McMickens, Robichaux, Rogers, Schneider

TRAINING GROUPS

The groups change every week! Runners, as they progress, are encouraged to move up to higher groups. By the end of the season we'll probably only have 3 groups! Here's the latest:

GROUP 1	Mallory Robichaux, Grayson Burns, Doug Juneau, Quint McMickens, Taylor Rogers, Bradley Schneider
GROUP 2	Mallory Bartow, Rachel Engelsman, Madeline Jones, Meg Morrison, Kelley Robichaux, Lindsay Vaughan, Drew McMickens, Cole Robichaux,
GROUP 3	Brittany Ducote, Cameron Erickson, Miranda Hawthorne, Ava Karam, Avery Long, Rachel McMinn, Carson Rabalais, Emily Saccaro, Anne Standley, Martha Voltz, Trey Brown, Thomas Davis, Payton Fowler, Jacob Seeling
GROUP 4	Catherine Evans, Rebecca Jeanfreau, Brittney Jeansonne, Annie Karam,
MANAGERS	Victoria Hirchak, Brooke Jones, Kaelyn Rachal!

WHAT ARE ALL THOSE INITIALS!!

All sports have their RBI's and TD's. Menard CC is no different. Here's a list – probably not complete:

PR	Personal Record – best time ever at a particular distance
SPR	Season Personal Record – best time this season at that distance
TPR	Tie Personal Record – very rare! – match Personal Record
TSPR	Tie Season Personal Record – also very rare – match season Personal Record
FR	First race at a particular distance
MERC	Menard Eagle Running Club
Mile Splits	Individual mile times within a race
Records	
Meet Record	For certain major meets, we keep track of best times All-time – best time regardless of grade (10 deep) Grade – best time for a particular grade level (5 deep)
Course Record	For certain courses, we keep track of best times All-time – best time regardless of grade (10 deep) Grade – best time for a particular grade level (5 deep)
Grade Record	Top 25 times at each grade level, and top 50 overall times

HOW TO SCORE A CC MEET

It's pretty simple. Every runner gets points depending on their finish place. The number one runner gets one point, the number two runner gets two points, the number fifty runner gets 50 points, and so on. The individual scores for the top five runners for a particular team are totaled to create the school's team score. Low score wins. If a team does not have five runners, they cannot qualify for team scoring. In case of ties (not common, but happens), each team's sixth runner becomes the tie-breaker.

Cross Country 2012!

Welcome to real CC!

Rain, mud, some hills, and lots of ants – another typical day in the life of a CC runner. Not the best way to introduce a new race into our season! Congrats to all – parents and runners – who braved the elements. Of course, we can brag about being there and getting wet, dirty, and ant-bit. Also congrats to our 2 PR girls, Martha and Ava. And for those who didn't PR – check your place against the total number of runners in your race. You all beat a lot of runners! Sorry about the JV girls mile splits – didn't happen. So it's on to Simpson – another new one. Stay tuned!

Fast Course at Simpson!

The PR's abound at the Simpson "road" race. Roads make for fast times, and fast times we had as almost all PR'd – and some by gobs of time! No less than 6 girls moved into or up the all-time top 50 list, and Bradley entered the revered all-time boys list – a very hard feat! Only one of last year's state champ girls team ran, and the varsity rookies showed their stuff with some amazing PR's. The guys continue their quest to match last year's senior's best time by getting 4 and almost 5 into the 18's. Congrats to literally everyone this time around. Veteran PR's are especially hard to come by, so hat's off to Madeline and Cole. Also to Avery, who "swam" the first ten feet, got up and ran #3. Also to the giant PR girls Brittany, Martha, and again Avery, and the almost giant PR girls and guys Madeline, Ava, Taylor, and Doug. Here's the challenge: run these times October 13th at the big Catholic meet at Highland!

BOX LUNCHES A HUGE SUCCESS!!

Friday, October 19 was put-it-all-together and make-all-the-deliveries day! Thanks so much for all who showed up Thursday night and Friday morning to help make our fundraiser such a great success. We delivered almost 1000 lunches and cleared over $5000!!!!! (Final numbers not in yet!) All great team successes require lots of people doing lots of work. In this case, sellers, donators, cooks, cookie makers, and more. But all team successes also require a person who invests tons of time, tons of enthusiasm and cheerleading, and tons of organization. Thanks, Renee for being the person of the hour this year! And thanks, Gaynell and Jay Lemoine (past box lunch coordinators), for again investing time and mentoring one more time!

Intro To State Course!

We have 18 runners seeing NSU for the very first time, and 7 are first time 3-milers! CC is not a sport that holds still! And we get 3 PR's (congrats Avery, Ava, Anne!) and 3 SPR's (congrats Rachel, Meg, Mallory!) But the fastest person today was mama Erickson – at least the State Police think so! The girls lose only to 3 5A's and 2 4A's. The boys race is full of big schools. We'll be back in 23 days to see how we stand at the state meet when it's just the 2A's – stay tuned!

MENARD EAGLE RUNNING CLUB (MERC)

The Menard Eagle Running Club is a Menard Cross Country "honorary" group with very high entry requirements. Membership is limited to runners accomplishing one or more of the following: running 400 miles (7th & 8th grades), 500 miles (9th & 10th grades), 600 miles (11th & 12th grades), or a top ten finish at designated meets. The mileage must be logged between the end of the previous year track season and the district CC meet (November 6th). Members receive a special t-shirt at the end of the year for this achievement, and their name is added to the MERC plaque in the gym foyer. Each year a runner qualifies, a different color shirt is awarded according to this schedule: 1st year – gray, 2nd year – red, third year – yellow, fourth year – green, fifth year – blue, and sixth year – black. No guys and no girls black shirts and only six blue have ever been awarded. Only a very few have earned more than one shirt. Here's a list of the 34 runners who have earned three or more shirts since this group was formed in 1988:

Black 2 (Andrew Lemoine, Christian Taylor)

Blue 4 (Laurca Patty, Danon O'Kelly, Joffroi Holcombe, Steven Jeansonne)

Green 12 (Leslie Manuel, Jesse Petras, Emily Demarco, Francis Vanderlick, Jea Jeane, Thomas Kagor, Will Littlepage, Mellynn Baker, Mark Dotson, Daniel Seaner, Brennan Vidrine, Mallory Bartow)

CROSS COUNTRY IN THE CLASSROOM

Every year our runners can pride themselves in more than one area of their lives. One of the areas is the classroom. This year's no exception. The first 9 weeks grading period is over and the grades are in. Here's where we stand. And stand tall we do! This is – proud to say – a typical year. We have 10 straight A and another 15 A/B honor roll students out of 33 runners!!! Collectively, we have 155 A's, 60 B's, 10 C's, 5 D's and just 1 F. That's a 3.57 team average! In the GPA race, the juniors are a perfect 4.00, edging out the seniors and 7th grade. The girls just barely beat out the boys by a mere 4 hundredths. Great job, runners – keep it up!!!

Overall Cross Country Boys & Girls GPA	3.57	1 – 11th grade	4.00
Overall Cross Country Girls GPA	3.58	2 – 12th grade	3.86
Overall Cross Country Boys GPA	3.54	3 – 7th grade	3.80

SPAGHETTI SUPPER (Monday, October 29th)

In the late 80's and early 90's, the district championships in CC were sometimes fierce competitions. We weren't thinking about state championships back then, but we did want to beat everybody in the district. We started gathering for a spaghetti supper the night before district to get psyched up a little bit for the big race. The first ones were at Coach's, but quickly out grew that location! In recent years the district meet has not been a major event, but the tradition of gathering to eat before district (or parish) is still with us. We're meeting at Spirits (Texas and Jackson Street). This is a social gathering for the entire family so please come join us. The meal is set and the cost is $6.00 per person. Informal dress. Don't miss!

26th ANNUAL CROSS COUNTRY BANQUET (Thursday, November 15th)

The annual Cross Country Banquet is for all runners and their families and friends. It is a very special end to the season. Lots of our parents put a lot of time into making this a special occasion. Please try to be there, and bring your favorite dish ("banquet" in this case means pot luck!) There are a number of awards to be given, and the cafeteria will look better than you've ever seen it! Please don't miss this special season wrap up if at all possible. If you're interested in helping out with banquet stuff, contact Stephanie Bartow.

The dress for the night is nice-casual (dress, skirts, nice slacks for the girls and slacks and nice shirts for the boys - no ties. No jeans, shorts, t-shirts, running shoes.

Cross Country 2012! October 24, 2012 #12

Girls Rule Buhlow!

The girls haven't lost at Buhlow in a good while, and today's no different. Big schools Barb and Benton show up to no avail as the girls win 29. It's an exciting day with both Robichaux girls running for the first time in a month. Our three top tens are too much for the field – nuff said! The guys are missing Bradley and Taylor but still get a 13th – their future is very exciting! They didn't team score the JV girls, but if they had we would have been easy team winners. Congrats to Martha for winning for the first time (by at least 100 yards!) and a big PR to boot, and Madeline with her 3rd place! Also congrats to Mallory B and Lindsay with their SPR's and who earn MERC with their top tens. There were a ton of Buhlow PR's also: Rebecca, Brittney, Annie, Avery, Emily, Martha, Trey, Payton, Quint, and Cole. We're back at Buhlow next Tuesday for the last time this year – stay tuned!

FROM NOW TO THE END ....

Don't miss out on the most exciting part of the season! BE THERE! Here's the details (which may get tweaked as we get closer to the end!):

SPAGHETTI SUPPER (Monday, October 29th)

In the late 80's and early 90's, the district championships in CC were sometimes fierce competitions. We weren't thinking about state championships back then, but we did want to beat everybody in the district. We started gathering for a spaghetti supper the night before district to get psyched up a little bit for the big race. The first ones were at Coach's, but quickly out grew that location! In recent years the district meet has not been a major event, but the tradition of gathering to eat before district (or parish) is still with us. We're meeting at Spirits (Texas and Jackson Street). This is a social gathering for the entire family so please come join us. The meal is set and the cost is $6.00 per person. Informal dress. Don't miss!

Menard conquers the Ant Hill!

Just two races – we all run 3-milers – and we all run the "Ant Hill!" And we run it very successfully. (For those not there, the "Ant Hill" is the biggest, baddest hill we've seen all year – in a lot of years! So what happens? We get 9 PR's and 1 SPR and 5 t-shirts! And the girls get another win! It's complicated, but this race is our district race, so congrats to our district champions Bradley and Mallory! It's also a designated MERC race, so congrats to Bradley, Avery and Rachel for qualifying! Congrats to the 9 PR, 1 SPR, and 5 t-shirt runners – see below. Here's the stats:

OLPS GIVING TREE CHRISTMAS OUTREACH

Last year we adopted two families, raised $600, bought and wrapped presents for all – and had a great time doing it. We are doing the same this year as we decided at the Spaghetti Supper last Monday. If each family can come up with $25 (or more – Coach and Becky are in for $50), we will be able to a special thing for the kids and the moms. We will get the details on ages and gender soon. Get any donations you desire to make to Coach sometime soon. Some have already done so! Merry Christmas!!!

WE LOVE OUR MANAGERS (AND MANAGER MOM)!

We have some unsung – in the background – but not necessarily quiet – valuable people on this team. That would be our 3 managers and one manager mom. THANKS Kaelyn, Brooke, and Victoria for being there meet after meet and handling all those splits, and being there practice after practice and handling all the whatevers of the particular day. We couldn't do it without you! And thanks Allyson Rachall for always being the backup manager when we're short – and doing it with only one foot! Again,

THANKS!

LSHSAA STATE MEET NEW PROCEDURE

Also, this year at the State Cross Country Meet, all persons must have a band on their wrist to enter facility or will be ask to leave the premises. When Head Coaches arrives at the main entrance to pick up team packets, they will receive a band and will then be directed to the team packet area to pick up their team packets. Coaches will be asked to check their packets before leaving that area to make sure the proper number of bands are enclosed. Coaches will then have to take the packet back to their team members and place a band on each participant. Please remind your parents and fans that we will not sell tickets this year. Everyone entering will be buying an arm band and they must wear the band at all times.

26th ANNUAL CROSS COUNTRY BANQUET (Thursday, November 15th)

The annual Cross Country Banquet is for all runners and their families and friends. It is a very special end to the season. Lots of our parents put a lot of time into making this a special occasion. Please try to be there, and bring your favorite dish ("banquet" in this case means pot luck!) There are a number of awards to be given, and the cafeteria will look better than you've ever seen it! Please don't miss this special season wrap up if at all possible. If you're interested in helping out with banquet stuff, contact Stephanie Bartow.

The dress for the night is nice-casual (dress, skirts, nice slacks for the girls and slacks and nice shirts for the boys – no ties. No jeans, shorts, t-shirts, running shoes.

Girls 3rd, Guys 13th in Super Tough 2A!

The girls run the best-ever Menard team time, but it wasn't quite enough this time around as we finish behind Sacred Heart NO and Episcopal. The all-rookie guys team finds out what 2A is all about. But we will all be back next year – except for senior Meg. WE'LL MISS YOU! Congrats to all the PR's and SPR's.

You Know You're A Runner...

- when all your friends think you eat too healthy
- when you not only eat gels, but you know the best flavors of every brand
- when you consider pasta a food group
- when pasta is the only food you'll eat two nights before a race
- you know how to pronounce (correctly) Plantar Fasciitis
- when you have a favorite ice pack
- when you laugh about chaffing
- when you brag about losing toenails
- when your room smells like a nursing home because of all the analgesic you use
- when you run even though you are sick
- when you know the names and remedies for every possible injury from bursitis to shin splints
- when your rolling pin is kept near your bed instead of in the kitchen
- when every T-shirt you own has a race name and sponsors listed on it
- when your socks come in two categories: running socks and others
- when you have tons of race shirts but can't find a work shirt for the life of you
- when you balk at the cost of everyday shoes and then spend $75 - $150 on a pair of running shoes that will only last 3 months and think you're getting a fabulous deal
- when you think a black Timex Ironman watch goes with black tie dress
- when you spend $12 on socks that help you avoid blisters

"It's very hard in the beginning to understand that the whole idea is not to beat the other runners. Eventually you learn that the competition is against the little voice inside you that wants you to quit." George Sheehan
