# **What is a Team?**

**A team is a group of competitors that stick together until the end.**

**A team is a family of close and very good friends.**

**A team is a bond that can never be broken,**

**A team is a speaker who is never outspoken.**

**A team is a bond that cost not a dime,**

**A team is a treasure until the end of time.**

**A team is something we will always share,**

**A team has its accessories that will always be there.**

**A team has its goals we strive to achieve,**

**A team has its loses though hard to conceive.**

**A team becomes closer through its defeats,**

**A team is made one as a group of athletes.**
