What is a Team?

A team is a group of competitors that stick together until the end.

A team is a family of close and very good friends.

**A team is a bond that can never be broken,
A team is a speaker who is never outspoken.**

**A team is a bond that cost not a dime,
A team is a treasure until the end of time.**

**A team is something we will always share,
A team has its accessories that will always be there.**

**A team has its goals we strive to achieve,
A team has its loses though hard to conceive.**

**A team becomes closer through its defeats,
A team is made one as a group of athletes.**

Eagles earn top 10 marks at NSU cross-country meet

10/28/15

LAMAR GAFFORD
LGAFFORD@THETOWNTALK.COM

What better way to prepare for the LHSAA State Cross-Country Meet than to prepare at the exact venue.

That would be what Menard's cross-country teams did Oct. 24 after the girls finished fourth with 142 points and the boys took sixth with 222 at the Northwestern State Pre-State High School Cross-Country meet.

Facing rainy conditions throughout the three-mile race, Lady Eagles eight-grader Claire Vaughn raced to a fourth place mark with a time of 18 minutes and 52.02 seconds, ranking behind a senior and a pair of juniors in the

race.

The 2014 All-Cenla Cross-Country team's outstanding female runner led her team as sophomore Avery Long (20:42.10), junior Noelle Dunn (20:45.73), eight-grader Faith Michiels (20:57.21) and Katherine Vaughn (21:13.37) stayed close behind to give Menard a good mark.

The Eagle boys were led by freshman Keith Milton, who posted a time of 17:49.34, good for 33rd. Freshman Jacob Snelling (17:55.20), sophomore Quint McMickens (18:09.68) and eighth-grader Brandon Scalisi (18:18.61) also finished in the top 50 to help them rank as the top Class 2A team in the

meet.

Anacoco also finished in the top ten in the girls (ninth) and boys (10th) team standings, while Natchitoches Central and Hornbeck also had representation in the meet.

Lady Chiefs senior Anna Coffey (21:27.59), Lady Hornets sixth-grader Hannah Dahlhoff (21:39.67) and Lady Indians junior Sydney Staples (21:41.24) each led their teams and earned placement in the top 50 of the girls race, as Indians senior Austin Millisor had a mark of 17:11.49 for a 19th place finish.

St. Joseph's Academy

took the girls team title with 60 points, finishing 15 better than Parkway and 58 better than St. Thomas More. However, the Lady Panthers did have the top girl as senior Sara Funderburk raced to a time of 18:08.20, besting Lakeside junior Alissa Lander (18:24.34) and Episcopal junior Alicia Stamey (18:36.09).

Parkway won the boys team competition with 29 points, thanks to placing three in the top five. Senior runner Jacob Hammons won the race at 16:15.25, while sophomore Cole Billiot (16:16.22) and junior Cameron Rogers (16:31.19) were close behind.

The LHSAA meet will take place Nov. 16-17 in Natchitoches.

Menard, Leesville pace meet competition at John Miller

LAMAR GAFFORD
LGAFFORD@THETOWNTALK.COM

With the LHSAA state cross country meet just around the corner, many schools are preparing for the homestretch.

Menard's girls and Leesville's boys came away with team titles in the 22nd John Miller Sr. Cross Country Meet at Buhlow Lake in Pineville Oct. 21.

Menard dominated the varsity girls race, as it scored 15 points — the lowest amount possible to win a cross country meet. Claire Vaughn won the individual race with a

time of 19 minutes and 5 seconds, while leading a group of Lady Eagles to each of the top five spots.

Her sister, Katharine, came in second with a time of 20:27, while Hannah Hays, Avery Long and Noelle Dunn rounded out the top five spots.

Buckeye finished second with 102 points, as Jordan Campbell nearly made the top five — finishing a second behind Dunn at 21:18. The Panthers girls were able to pick up quality points from Isabella Warren and Allie Tyler with both finishing in the top 15.

Vernon Parish schools

Leesville and Simpson came in third and fourth in the team standings, as Grace Christian's Olivia Slayter raced to an eighth-place finish in 21:42.

The boys team race was tighter, but Leesville scored 45 points to win, while Menard settled for second with 57.

The Wampus Cats placed three in the top five — Brett Schmidt (16:48; second), Drew Barendfeld (17:01; third) and Nic Teague (17:06; fourth) — to ward off a tough Eagle team that held a stranglehold in the latter half of the top 15. Cole Robi-

chaux finished ninth in 17:29 and Kent Milton came in tenth at 17:43.

However, Pineville's Cameron Farris won the boys race as he paced past Schmidt with a mark of 16:43 to help the Rebels take fourth. Buckeye came in third as Chase James (17:07, fifth) led the way.

Grace Christian duo Tyler Magnano (17:17) and Zach Brenner (17:21) joined Simpson's Tanner Yates (17:25) in the top 10.

The Rapides Parish Championships take place on 3:30 p.m. Tuesday at the Fort Buhlow Recreation Area.

Menard runners win 1st in girls, 3rd in boys

TOWN TALK STAFF

Holy Savior Menard, with three top-10 runners, won the girls small school competition in the Menard Invitational cross-country meet at Fort Buhlow Recreation Park Saturday.

Menard's boys, with three top-25 runners, placed third in the small school boys division won by Episcopal of Acadiana, with St. Martin's being the runner-up.

TOWN TALK FILE
Claire Vaughn

Leesville finished third in the large school boys division behind champ Brother Martin and runner-up Airline. Pineville was ninth in the 11-team field.

Pineville placed ninth in the 13-team large school girls competition won by St. Thomas More, and Bolton was 11th.

Menard had seven of the top 15 runners in the small school girls race, led by Claire Vaughn, the individual runner-up in the 3-mile race at 18:40.46 behind champion Alissa Lander of Lakeside (18:07.90). Faith Michiels (seventh) and Katharine Vaughn (ninth) of Menard were also among the top 10.

sixth in the 10-field small school girls field, and Pickering, led by Lexi Wyaco's 16th-place finish, was 10th. The closest competition for Menard, which scored 39 points, came from Catholic Hunter Point Coupee (79). St. Martin's was third at 109.

The three Menard

boys in the top 25 of the small school boys event were Kent Milton (12th), Quint McMickens (15th) and Cole Robichaux (24th).

Cameron Farris of Pineville finished fifth in the large school boys event at 16:05.79. Hayden Courregé of Brother Martin (15:30.38) won the race ahead of teammate Hunter Appleton (15:52.69). Andrew Barefield led Leesville with a 12th-place finish.

Menard boys, girls win district cross country meet

LAMAR GAFFORD

LGAFFORD@THETOWNTALK.COM

The Eagles cross country teams captured the boys and girls District 3-2A titles Wednesday at Fort Buhlow Recreational Park.

The Menard girls dominated their race as 11 runners clinched spots in the top 13 — led by sisters Claire and Katharine Vaughn. As a result, the Lady Eagles scored 15 points — the lowest possible total — and won their 27th district championship.

Claire won the girls race in 20 minutes and 7.79 seconds, and Katharine claimed second in 20:52.91. Menard's top seven runners posted an average time of 20:52.61.

Rosepine (56 points) and Pickering (87 points) finished second and third, respectively, and both schools had a runner in the top 10.

Rosepine's Trinity Walker finished seventh in 21:29.99, as three of her teammates — Cheyenne Vander, Taylor James and Alyda Bailey — joined her in the top 20. Alexis Tsethikaivayaco (21:54.80, eight) and Kierra Sanderlin (23:28.65, 15th) represented the Lady Devils in the top 15.

The Menard boys clinched their 23rd district title in dominating fashion with 20 points and five of their runners in the top six spots.

The Eagles' top seven runners recorded an average of 18:17.15, more than a minute better than the second place team — Rosepine.

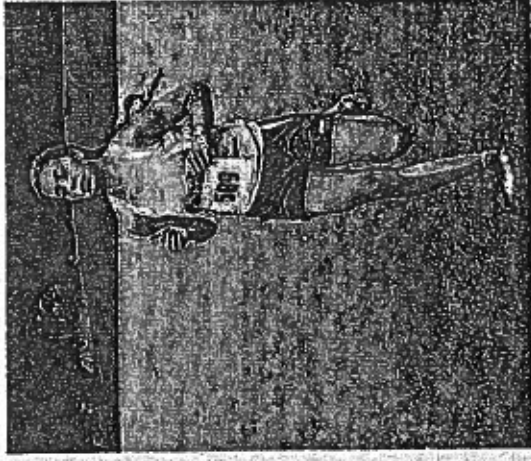

Menard's Cole Robichaux finished the race in 18:01.17 for a second-place finish and was followed by Kent Milton (18:12.30, third), Jacob Seeling (18:20.58, fourth) and Quint McMickens (18:24.78, fifth).

However, Rosepine's Anthony Cantrell won the race in 17:32.76 — nearly 30 seconds faster than Robichaux — and his performance helped Rosepine clinch the runner-up position with 51 points, while Brian Buono came in ninth at 19:23.15.

Many and Pickering rounded the list and both schools had a top-10 runner.

Tiger runner Tyler Reed finished tenth in 19:26.87, while Dallas Kopasek earned seventh place (19:16.05) for the Red Devils.

Menard will participate in its last tune-up for the State Meet Saturday.

Menard girls finish second in loaded 2A class

LAMAR GAFFORD

NATCHITOCHES — In what was considered a wide-open class, Menard had plenty of schools looking to knock it off its roost.

The young, defending two-time Class 2A champions finished as a runner-up to another bird of prey, St. Thomas Aquinas, as it scored 69 points in Day 1 of the LHSAA Cross Country Championships.

"There were six teams that could have pulled this off today," Menard coach Wally Smith said. "Aquinas came in as the favorite, and we were second. It ended up that way. It's such a unique sport, be-

cause you can't have one fall off. In cross country, you have to have five on the top of their game."

Leading the Lady Eagles was eighth-grader Claire Vaughn, who ran the race in 19 minutes and 8.1 seconds for a third-place finish. Vaughn improved her position by two spots and shaved more than 40 seconds off of her time from a season ago.

"During the race, it started out easy, but it turned out hard towards the third mile because of the mud," Vaughn said. "Overall, it was a great race."

Although the Lady Eagles do not have a senior

Scott Maggio was one of the favorites that was poised to take over the vacant spot left by four-time champion Zach Copello who graduated.

However, Maggio came in third at 16:59.6, finishing behind St. Martin's senior Antonio Imbornone and Cedar Creek sophomore Gabe Poulin. Maggio plans to sign with Louisiana Tech Wednesday, where he will major in mass communications.

"It could have been a lot better," Maggio said. "I've been battling a back injury for a little over a year now. It cramped up on me out there and I had some stomach cramps, but those guys ran it all

that they could. You just have to move on from it."

Pitkin claimed its second straight runner-up finish in the girls Class B leaderboard, finishing with 52 points — four behind Episcopal of Acadiana. Although the Lady Tigers did not have a top five finisher, they placed five in the top 20 — led by freshman Hannah LaCaze's time of 22:01.7.

"I'm not going to say that they enjoy running, but when they do run, it's a joy for me," Pitkin coach Dana Wisby said. "This past week, I didn't know who my top seven runners were, because there were nine of them (that ran well). We ran three differ-

ent times this past week. It was heartbreaking. I had girls that were crying because they didn't make it."

Led by senior runner Austin Millisor, Anacoco placed second in the boys standings with 95. Millisor claimed second in the individual race with a mark of 17:04.1.

Simpson won the girls title with 42 points as seniors and identical twin sisters Maycee (21:12.8) and Haleigh Lachney (21:44.1) took second and third, respectively.

Day 2 of the LHSAA Cross Country Meet will take place Wednesday with Classes 3A, 4A and 5A running.
